Looking for a tax receipt? Please note: Cows and Fish is a registered society, which is a non-profit organisation, but we are not a registered charitable organisation, thus we cannot directly provide a tax receipt for your donation, but you can still support us and get a tax receipt. Here's how: simply donate to Trout Unlimited Canada (one of our founding members), and tell them to direct your donation to us, and they can issue you a charitable tax receipt (see our online link: <http://www.cowsandfish/about/supporting.html> or go directly to their donation page: http://www.tucanada.org/TUC_donationform.shtml)
